CIT 40 - HOUR TRAINING

Crisis Intervention Training (CIT) is an intensive 5-day session that provides law enforcement with the knowledge and skills for responding to a person during a mental health crisis. The training is conducted by local CIT trained officers, mental health professionals, family advocates and consumers; offering practical techniques for de-escalating crisis situations.

TOPICS TO BE COVERED:

- Mental Illness signs and symptoms
- Childhood mental health disorders
- Medications and side effects
- Mental Health Law
- De-Escalation

Participants will hear from consumers and family members, participate in hearing voices simulation and practice scenario based training.

COST: FREE Training, sponsored by MACIT Council.
 (Pre-registration required)
DRESS CODE: Business/department casual
