BLUE MEDICARE
ADVANTAGE

Prepare for Open Enrollment!

A Blue KC Benefits Specialist will help educate you on your plan options, Medicare plans available, and show you ways to save on your retirement check/pension.

Our plans provide additional benefits that are not covered under Original Medicare, such as vision, hearing, fitness membership, dental, over-the-counter retail allowance, and prescription drugs. Access to our large provider network allows most members to keep their doctors. Low out-of-pocket and predictable costs also help members to better plan for expenses.

We look forward to seeing you!

You can also contact our Blue KC Benefits Specialist, at 816-360-1059, Monday through Friday from 8:00 a.m. to 5:00 p.m.

2301 Main St., Kansas City MO 64108
