## **About the Course**

This one-day program equips first-line supervisors with the skills to lead officers and manage critical incidents. Through discussion, analysis of real incidents, and team-building strategies, participants will strengthen their leadership and decision-making abilities.

## **Upon completion of this course, students will be able to do the following:**

- Prepare both the leader and the team for all levels of incidents, mostly critical
- Apply effective leadership and communication skills
- Communicate effectively with your team
- Conduct open forum discussions: pre-mortem strategies
- Prevent misconduct through proactive supervision
- Make sound tactical and policy-based decisions under pressure
- Apply policies, procedures and tactical skills to resolve major police events
