

Dear Officers and First Responders of the Kansas City Missouri Police Department,

On behalf of a grateful community, I extend heartfelt appreciation for your unwavering service, courage, and sacrifice. Each day you stand on the front lines to protect, serve, and bring peace to our neighborhoods, often at great personal cost. Your commitment does not go unnoticed, and we thank God for each of you.

Your work reflects a calling of justice, protection, and order. We are encouraged by *Psalm 46:1* which declares, "God is our refuge and strength, an ever-present help in trouble." In the moments you respond to crisis, you embody that help for so many in need.

Finally, may you find strength in *Isaiah 41:10*: "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee." May God's presence sustain you, His peace guard you, and His grace cover you daily.

Thank you for your bravery, your dedication, and your service to our community. You are appreciated more than words can express.

With sincere gratitude and prayers,

Chaplain Tony P Johnson
