DATE: September 12, 2025

JOB VACANCY MEMORANDUM NO. 25-34

TITLE: Crime Analyst I - Tactical Operations Analyst I, Gang Intelligence/SAVE KC - GRANT FUNDED

ELEMENT OF ASSIGNMENT: Special Investigations Division, Group Enforcement Unit

PAY RANGE: 54

STARTING MONTHLY SALARY: \$4,693

VACANCY STATUS: Vacant

EXPIRATION DATE: September 26, 2025

REQUIREMENTS:

***** THIS IS A GRANT FUNDED POSITION *****

The role of the Analyst I is to identify and analyze crime series, sprees, trends, terrorism, and related criminal acts. The Analyst I will use Intelligence-Led Policing methods to provide crime analysis, intelligence analysis, and investigative case support for internal and external law enforcement partners. The primary responsibilities of the Analyst I rely heavily on providing real time actionable intelligence in the form of analytical products. The Analyst I will play a key role in the implementation and execution of the SAVE KC initiative.

Grant Funding Information:

This position is grant funded for the next 2 years, with ongoing efforts to extend funding thereafter. During this period, employees will receive benefits and compensation identical to an established position. If funding is unable to be secured the position will be considered for elimination.

Essential Job Functions: (Functions essential to attaining job objectives.)

1. Conduct research and analysis of law enforcement data by identification and interpretation of current and anticipated criminal activity, patterns, and trends.
2. Collect, evaluate and analyze data. Utilize tactical, strategic, and administrative analysis in support of the police department's mission and the intelligence-led policing concept.
3. Understand and know the definitions of crime analysis and intelligence analysis, as well as the types, functions, and processes of the integrated analyst.
4. Know the importance of thinking critically about the methods, procedures, tools and techniques employed in crime analysis and intelligence analysis.
5. Develop a strategy for collaborative data informed community engagement (DICE).
6. Work with researchers to ensure comprehensive project evaluation.
7. Possess the necessary writing skills to explain information, draw conclusions and/or make recommendations in a narrative format that is objective, succinct, pertinent, articulate and relevant.
8. Calculate and analyze the times of day, days of the week, intervals, durations, tempos, and temporal cycles of crime in general and of criminal behavior in short-term and long-term series, patterns, and trends.
9. Understand and compare local and national crime statistics (e.g., UCR and NIBRS data).
10. Know the basic principles and techniques of geospatial analysis, produce and analyze maps to determine the nature of crime problems related to location, use maps in forecasting and predicting incidents regarding crime trends and series, and interpret maps for specific audiences.
11. Create analytical products such as bulletins and reports, which are suitable for dissemination to various audiences.
12. Know online resources available on crime analysis and intelligence analysis. Be familiar with open source systems available to law enforcement.
13. Provide real-time intel and communication support, when requested.
14. Conduct administrative duties to support the Gang Intel/SAVE KC mission, as directed by the supervisor/commander.
15. Maintain reliable and predictable attendance and must have the ability to work mandatory overtime assignments when necessary, flexible hours, nights, and/or weekends.
16. This class specification should not be interpreted as all inclusive. It is intended to identify the essential functions and requirements of this job. Incumbents may be requested to perform job-related responsibilities and tasks other than those stated in this specification. Any essential function

or requirement of this class will be evaluated as necessary should an incumbent/applicant be unable to perform the function or requirement due to a disability as defined by the Americans with Disabilities Act (ADA) as amended by the Amendments Act of 2008 (ADAAA); and the Missouri Human Rights Act (MHRA).

Job Standards: (Minimum qualifications needed to perform essential functions.)

To successfully perform the essential functions of this position, the incumbent must have a comprehensive knowledge of the principles, concepts, methods and techniques of crime analysis-intelligence analysis.
