2026 Criminal Justice Cybersecurity Summit

March 4-5 | 7 a.m. – 4 p.m.

As law enforcement agencies become increasingly targeted by cybercriminals, protecting sensitive information and upholding the foundations of justice have never been more critical. Join us for this important summit covering all critical security requirements and standards.

Course maximum is 150 participants.

Topics:

- Current threat landscape for criminal justice agencies
- Compliance and policy
- Tools and resources
- Table top exercises
- Risk assessments and evaluations
- ...and more!

Target Audiences:

- Criminal justice agencies including law enforcement, corrections, probation and parole and prosecutors
- Agency CIOs and CSOs
- Individuals supporting information technology at criminal justice agencies
- IT staff (i.e., professionals working with network infrastructure, hardware, etc.)
- Law enforcement leadership staff
