

# Developing Women Leaders

Women are underrepresented in law enforcement and particularly in leadership positions. Learn how to overcome the daily battle with the inner critic that reinforces insecurities and how speech and body language can dictate how women are perceived. We will also discuss family planning, relationships, perfectionism, mentoring, leadership development, career planning, and how we can all better support the women in our organizations and our lives.

**September 27, 2024**  
**8am-5pm Olathe, KS**
