

Devotional prayer

Oh Lord my God, please renew us today and give us the right spirit to seek you all the days of our lives. To behold your wonderful works, to worship you truly in spirit and in truth. Teach us oh God to continue to wait for you. Teach us oh God to trust you, even when the evidence is obscure and unclear, to lean on you even when the world seems to be falling apart. Teach us to have a fervent prayer life to believe in your word and promises. Teach us to abide under your shadow and secret places, to treat others with kindness and gentleness. To see things as you see, and align our purpose with your will, to love you with all our hearts and souls. Help us oh God not to be easily distracted by life's struggles, and to stay focused on you and you alone.
Amen
