A famous author by the name of C.S. Lewis quoted

“You can’t go back and change the beginning, but you can start where you are and change the ending.” If God is love, He is by definition, something more than mere kindness. And it appears, from all the records, that though He has often rebuked us and condemned us, He has never regarded us with contempt. He has paid the intolerable compliment of loving us, in the deepest, most tragic, most inexorable sense.” If a thing is free to be good. It’s also free to be bad. And free will is what made evil possible. Why then? Did God give them free will? Because free will, though it makes evil possible, is also, the only thing that makes possible, Any love or goodness of joy worth having.
