

Hello!

Folds of Honor Kansas City is proud to host the 22nd Annual Patriots Run on **September 14, 2024, at the Aspiria Campus in Overland Park**, a run to honor their sacrifice and educate their legacy. The Patriot's Run was created to honor the sacrifices of 9/11 heroes 22 years ago, today Folds of Honor is a proud beneficiary to meet sacrifice with hope in our community for military and first responder families. The race offers 6 distances with the main event being a 9 hour and 11 minutes ultra or relay team race. If you are interested in running in this event, please visit patriotsrun.org sign up to run with code HEROFAMILY for a free registration.

This year we are happy to announce a new addition to the race to foster community of the families we serve. We are inviting families of the following organizations to join us for a FREE first and one-of-a-kind day:
