Put your hands on some amazing technology!

Discover how to accelerate digital evidence investigations in a comprehensive four-hour workshop with Cellebrite Pathfinder. This session includes instructional content and a practical Capture the Flag exercise, led by investigative experts.

- Navigate Key Features: Master the main features of the Dashboard and Timeline
- Analyze Data: Manage profiles, explore communication data, and apply powerful filters
- Visualize Connections: Use Graph & Map to visualize connections and locations
- Hands-On Experience: Gain practical experience and solve a case using Cellebrite Pathfinder in a Capture the Flag exercise
