Venmo @gmapopo09 (zero9) last 4 of cell is 6483

If you are using a business account or something other than your actual name, please put your first and last name in the notes or email me, the name of your business. When the name on the payment doesn't match the name on the order, the payments are a mystery to me. I want to be sure everyone gets the coin(s) they ordered.

**PayPal:** Please pay using friends and family only. If "goods and services" is selected, I will be charged a fee, therefore I will refund the payment made and request that you resubmit your payment.

**Venmo:** please make sure the full refund choice is off (toggle left and gray in color). If the protection is chosen, I am charged a fee. Unlike PayPal, Venmo does not allow me to refund improperly made payments. So please send correctly.
