

## **Patrol Rifle School, Training Dates 2024**

Patrol Rifle School is a 2-day training course. To attend Patrol Rifle School, you must have your AR-15 inspected and approved by the Firearms Range staff, gain approval for the training dates, sign up for those dates through Cara Vellar, and submit a memo requesting the training through your chain of command. For the rifle requirements see Chiefs Memorandum 22-02 Department Firearms Guide. For assistance or recommendations contact the Firearms Range staff. The first day of training will be from 0800-1700 hours. The second day of training will generally be 1200-2100 hours but may be adjusted later for low-light shooting depending on the time of sunset.
