

K.C.P.D. Family,

Thanksgiving is almost here! We have so much to be thankful for. However, I know that around this time of year we can feel very alone. We seem to lose sense of our value even though so many people are around us as we engage in the many gatherings of the season. I think we should remind ourselves that God is very aware of what we are dealing with. God knows us deeper than any human being can, including ourselves. I recall that King David said in Psalm 139:1 that God “searched” us. In love, God examines us and understands us perfectly. God knows our thoughts and He understands the reasons and meanings behind them. God intimately is familiar with every detail that makes us who we are, and He uses this knowledge to help us. God knows us most, but He doesn’t turn away in distaste of what He know about us, but instead He reaches out to us with His love and wisdom.

If you are feeling lonely, unseen, or forgotten this Holiday season, rest in this; God sees us, He knows us, and wants a personal relationship with each one of us. We can be like King David who said “God, you know me” Psalm 139:1 and “Your hand will guide me, your right hand will hold me fast” Psalm 139:10. All that comes to fruition when we seek the face of God, seeking his love, redemption, and guidance in our lives. Take a stroll through Psalm 139 for a deeper understanding.

Have a safe and blessed Thanksgiving,

Chaplain: Shane Stamm
