

Prayer of Thanks

Lord our God, we thank you that you have given us the light of life, that we can now learn how to live, and that through your great grace we may understand life.

Father God, thank you for helping us through all the difficult times we have ever faced, are facing, and will face in the future. We know that you will be with us through everything.

Lord God, we are grateful that you did not leave us on our own; you promised to always be with us and to never leave us alone.

Gracious Father, open our hearts that we may reflect on who we are in you. Help us to demonstrate your love to all mankind, and to be thankful for every moment of everyday, for they are all a gift from you. Amen.
