

## **Semi-Automatic Shotgun Training Course**

The Firearms Training and Tactics Section will hold a Semi-Automatic Shotgun Training Course on **June 18, 2024**, from 1330 to 1530 hours.

Semi-auto Shotguns must meet the criteria listed in Firearms Procedures 22-07 and Chiefs Memorandum 23-02. Currently approved semi-auto shotguns are the Beretta 1301, Mossberg 930/940, Benelli M1/M2/M4 Platforms, and Clones of the listed weapon platforms. All semiautomatic Shotguns must be inspected by FTTS and reliably function through the transition course to be approved for on-duty carry.

If you have questions about shotgun options for approval contact FTTS.
